

[UNOFFICIAL TRANSLATION]

PROSPERITY PARTY BY-LAWS

INTRODUCTION

It is necessitates to widen the changes that have registered in politics, economy and social fields under the leadership of EPRDF and the affiliate parties in redressing the mistakes and to undertake a reform to create a party that struggle for the interest and benefit of the current and the coming generation. Because,

The EPRDF and the affiliate parities have been ruling and building the country almost with similar goal, plan and political directions over the years

The blending of all parties help to bring our potential in to one area and work together towards similar goal by strengthening ourselves and correcting the mistakes so as to pass in to the next chapter of struggle

Though the agenda of blending the parties has been raised during the party's conference, it the decision has not been made and implemented. But on the 11th session of the party's conference made a decision of blending the parties and passed decision to make the necessary preparation for its implantation

Ethiopia is a country where nations and nationalities have a common value and visions which the want to develop together

It is necessitates build a single socio-economic society and to insure fair and inclusive economic development and equal benefit

It necessitates to insure sustainable prosperity through inclusive social development on the bases of the foreign policy that maintain the sovereignty of the country

It necessitates to insure a prosperous Ethiopia where the rule of law in maintained, the right of individuals and groups is respected keeping its equilibrium, groups' identity and diversity developed through strong national unity

It necessitates to come together and struggle in unison with the idea of *medemer* and build a great the Ethiopia that we all aspire to see

The council of EPRDF and the affiliate parties approved the bylaw of Prosperity Party according to the election proclamation of Ethiopia, the registration of political parties and election code of conduct number 1162/2011 based on the 11th session of the EPRDF conference
